

After you finish reading each chapter of the book you are to write a one to one and a half page response to that chapter. This response can be a summary of the chapter, your own thoughts and emotions about what has happened, it can even be about question you may have about the text.

Just make sure that you mention the main events of the chapter, characters you are introduced to, the setting of each chapter, and what themes and motifs you noticed while reading. If you found a quote that was especially powerful to you write it down and explain why it was important to you.

These journals will be checked one day after a chapter is finished.
